- 5-Year warranty

The PRE4202B-FM-PRM is a compact surface ceiling-mounted microwave detector with infra-red setup for lighting or ventilation.

All settings are programmed using our infra-red Programming handsets either the PRE5901 or PRE5903.

Easy to fit surface-mount back-plate and clip on detector, along with removable terminals makes installation fast and efficient.

Due to our policy of continuous improvement, we reserve the right to change specifications without notice.
